Fishing Has Been Well Underway For A While Already!

The winterkill on some of our favorite lakes was a bummer but with the mild spring, many of our club members have found a place or two to wet (or should that be whet) their fly lines a few times already. The good news is that both the ACA and the Alberta Government have completed the spring trout stocking programs.

The ACA Spring Stocking Report is located online at:

<http://www.ab-conservation.com/programs/fish/aca-stocked-lakes/>

The Government of Alberta Spring Stocking Report is located at:

<http://mywildalberta.com/fishing/StockingReports/documents/AlbertaFishStockingReport-May25-2016.pdf> Of Note; Muir Lake was stocked with 3,035 Rainbows between 22 - 30.2 cm. long and 500 Browns, 19.5 cm. long.
