FROM THE EDITOR

Well fellow tiers it's time to polish up your vise for another season of fish stories and new flies wish to apologize for the lack of a "broken Threads" in June. No excuses just an apology!

The first meeting of the tying year will be held at 7:00 on Wednesday September 13th in the part room of Waters edge as usual. The main agenda item will be the Little Smoky trip.

The plan is to attack those little Grayling on the weekend of September 16th., Yup the weekend after the meeting.

Bring your best Grayling patterns t share, your vise and an attitude. (good one that is)

To be in the environmental spirit please bring your own coffee cup to the meetings this year.

I thought I'd include a little fish that my sister caught through the ice last winter, monster fish little lady!!!! Dar is only 4'11" tall so this really is a monster!!!

FISHING SEASON TRIPS

The first of our Little Smokey Grayling trips is planned for the 16th of September, 2000. Last year it was quite cold at night so be prepared for fall camping. There are not really any facilities at the camp so back country camping is the rule... unless you are RVing!
